I hereby give my permission for my appointed consultant E For Energy to deal directly with our energy and water suppliers and to hold and obtain the following information for all sites that we are responsible for:

Access and hold data on an electronic and paper database.

Act as a representative on behalf of the customer and be placed as a valid contact on the account. Act on behalf of the customer for any overcharges or debts on the account and process refunds accordingly.

Request consumption history, HH data, MPR, MPAN and SPID numbers, pricing details and billing information, contract end dates, copy bills and last date to serve notice of termination and MOP/DCDA agreements.

Obtain information from third party industry databases, for example metering details.

Issue termination notice to existing supply contracts on my behalf.

Request quotations, negotiate prices and submit contracts on my behalf.

E For Energy does have permission to enter any contract with my prior permission in writing or email confirmation.

We/I Acknowledge & agree that:

- 1) TPI Named below/above will receive commission from the appointed energy supplier in consideration for introducing my energy supply contract(s);
- 2) Such commission shall be incorporated into the energy supply unit rates agreed with the energy supplier as a p/£ per kWh uplift and/or fixed price uplift to the standing charge for the duration of the contract.
- 3) The applicable uplift for our energy supply contract(s) is a maximum of £0.03 per kWh for the duration of the energy supply contract; and
- 4) Details of the applicable uplift, including how calculated have been confirmed to me separately by TPI below and agreed by us/me

E For Energy, undertakes that it shall use the customer data solely for the purposes of delivering the services specified in this document and may share that data with the relevant third parties, including their contract processor **ONLINE DIRECT (COMPANY NUMBER – 03599738)**, in order to do so.

This letter of authority will remain valid on the account until it expires (in line with supply contract duration or 24 months from sign date) or is requested to be removed by the account holder.

E For Energy, 802 Marco Island, Nottingham, NG1 1AT
